

OCT 2-5
FT. WORTH, TX

Attendee

GMC Media Kit

[Gas Machinery Conference](#) provides technical training and presentations, provided by the industry's leading subject matter experts. Educational sessions and presentations on recent GMRC research are valuable for design engineers, facility engineers, technicians and others, with an emphasis on the operation, maintenance and testing of gas compression machinery.

Face-to-face meetings are key to building strong relationships. GMC will be focused and productive, don't be left out.
